 - What **questions** do you have about this subject?
 - What would you like to learn about this topic that you don't have an answer to?
- Second, think of a field site to explore this topic. Possibilities include:
 - a neighborhood institution (i.e. a park, a central restaurant or cafe, a street corner where people spend time, a playground, etc)
 - A community organization
 - A homeless shelter
 - A religious organization or institution (i.e. a mosque, temple, church, synagogue, etc.)
 - A chat-room for newcomers
